# Nativity 2021

*The Pro Casacastalda association, sponsored by the Comune di Valfabbrica, created and developed the 'Nativity' project 2021, which will be displayed on the side of a hill right in front of the 'Belvedere'. Over 700 meters of LED lights will be used to light up the side of the hill.*

The turning on of the lights will occur on  
**December 8th** at 17,00  
on the Belvedere in Casacastalda

*The design and final drawing were created by Mexican artist Rafael Bustillos. Starting next year we plan on launching a contest where artists from all over the world are encouraged to submit their designs for a chance to win and be picked for next year's nativity scene.
